

# #EUHPP LIVE WEBINAR

## From Token to Table: Making Youth Engagement Count

12 MARCH 2026, 14.30 – 16.00 CET, BRUSSELS TIME

Dear colleague,

We invite you to join this #EUHPP Live Webinar co-organised with the Slovenian National Institute of Public Health.

The Thematic Network “Youth Chapter on NCD Prevention” is organising a webinar dedicated to advancing meaningful youth engagement in the European context of non-communicable disease (NCD) prevention. It will explore how young people can move beyond symbolic participation to become equal partners in policy design, implementation, and evaluation. Through intergenerational dialogue, the webinar will bring together advocates, public health experts, and policymakers to highlight practical frameworks and best practices across Europe.

The discussion will also address structural barriers to engagement, and solutions for improving representation in health spaces, including the way forward when it comes to the Joint Statement and actionable recommendations to foster sustainable, inclusive and impactful youth participation in NCD prevention at EU and national levels.
