

#EUHPP LIVE WEBINAR

Pollen season on the rise: Are we ready for the next respiratory challenge?

27 OCTOBER 2026, 14.00 – 15.00 CET, BRUSSELS TIME

Dear colleague,

We invite you to join this #EUHPP Live Webinar co-organized with the European Respiratory Society

Key contents of the planned webinar include: This webinar will look at how climate change is affecting pollen exposure and what this means for respiratory health. Changes in temperature and weather patterns are leading to longer and more intense pollen seasons, with clear implications for respiratory health.

Register to this webinar following [this link](#).

Once registered, you will receive the calendar invitation from Webex. Please pin it in your calendar and go back to it on the webinar day. [This webinar will be held in English.](#)

Note that the content of this webinar has been produced by the panelists and does not necessarily reflect the position of the European Commission.

If you have any further questions, please contact sante-hpp@ec.europa.eu

We are looking forward to welcoming you online.
