February

March

April

May

June

July – August

September

Questionnaire of needs and preferences

1st expert platform meeting

Working groups established

1st workshop with WHO expert

Meetings of WGs

Situational analysis

Identifying priorities

2nd expert platform meeting

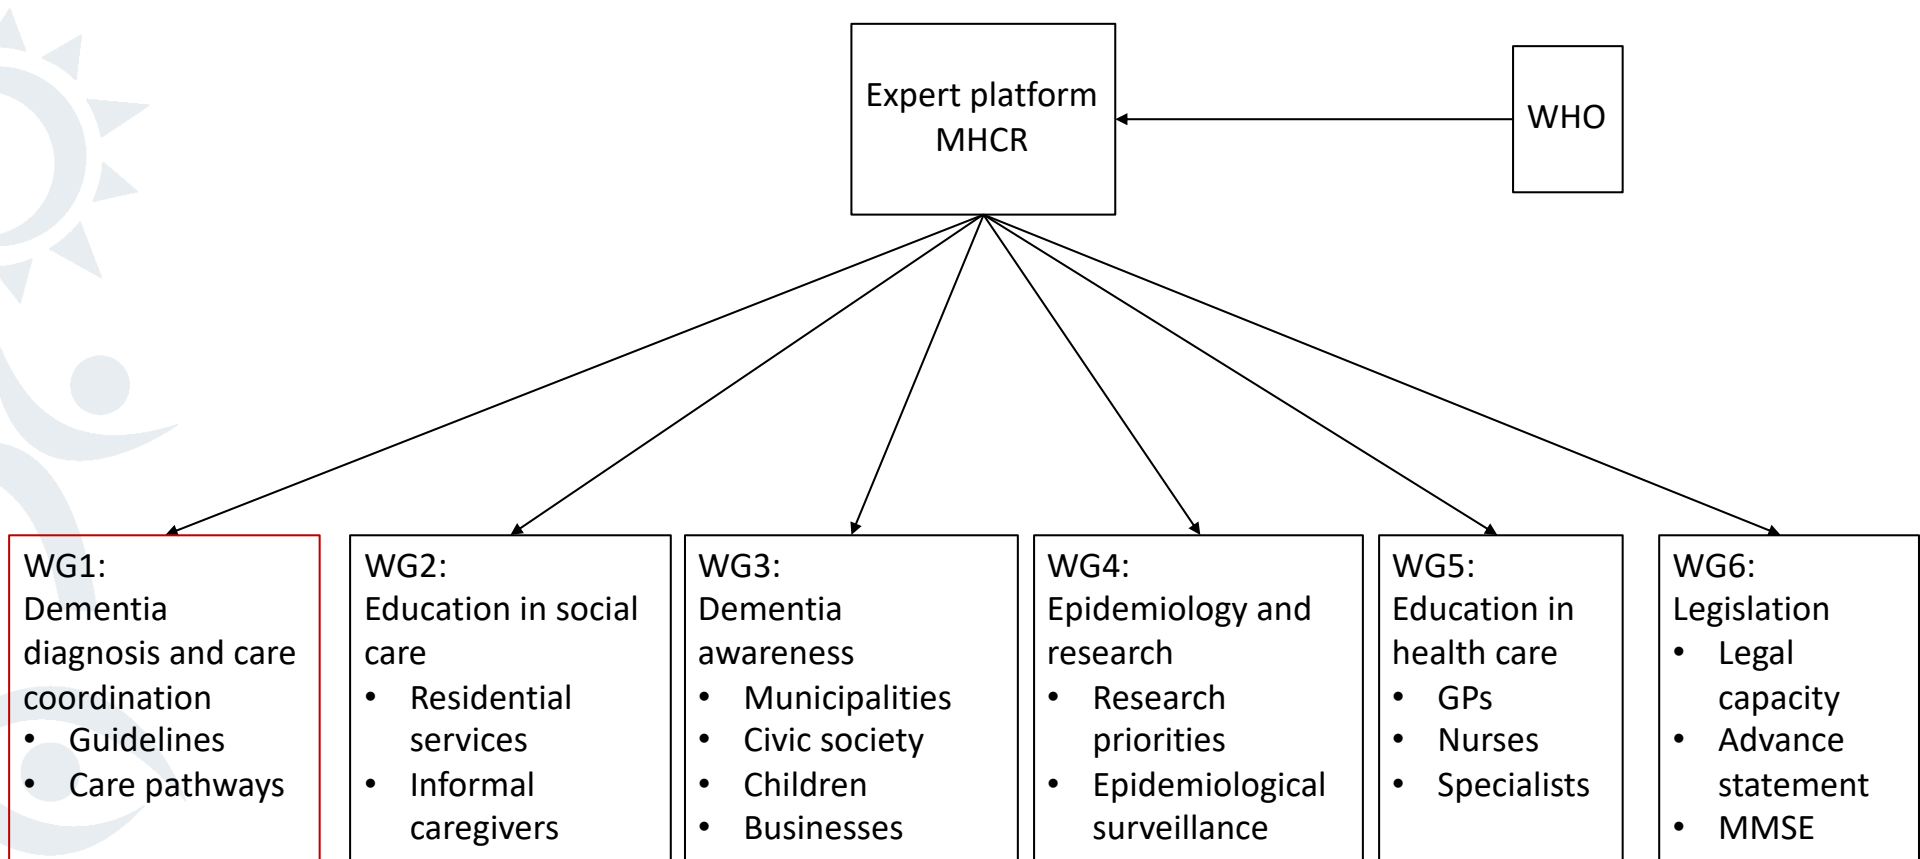

Priority setting

Proposal of recommendations

2nd workshop with WHO expert

Launch of the strategy on the occasion of the world AD day

Establishing partnerships: Structure of the team

(RE)Establishing partnerships

- Failure of the previous dementia plan
- Trust re-established through individual consultations and precise leadership
- Representatives of the key organizations supervise the work in their expert areas
- Crucial role of the dementia coordinator and political will

Establishing partnerships: mechanisms and results

- I. Goal: Plan implementation
 - I.1. Objective: Coordination of the activities focusing on dementia
 - I.1.1. *Activity: A permanent position of dementia coordinator is established.*
 - I.1.2. *Activity: A ministerial advisory committee for dementia is established*
 - I.1.3. *Activity: An implementation plan is developed*

Results:

- Trust
- Consensual proposal of recommendations written by stakeholders who will implement most of the activities
- Stakeholders are incentivized to cooperate with the ministry and to disseminate the Plan
- The Plan is respected
